

Mammoth Parade On Saturday Opens Emmitsburg's 8-Day Bicentennial Celebration

The Emmitsburg Bicentennial celebration will open Saturday at 4 p.m. with a mammoth two hour parade through the town to the Civic Grounds on Route 97. More than 90 bands, drum and bugle corps, majorettes, marching units, floats, carriages, and old cars will be in the parade.

Highlight of opening night will be the crowning of the bicentennial queen "Miss Emmitsburg," by Senator J. Glenn Beall, at the civic grounds at 9 p.m. The coronation ceremony will feature the prize winning Blue Angels Drum and Bugle Corps from Victory Post American Legion, Westernport, Md., which will serve as guard of honor for the queen.

Senator Beall will arrive at the civic grounds in a horse drawn brougham, supplied by the Horse 'n' Buggy Museum of Gettysburg which is supplying many of the historical carriages for the bicentennial.

Bicentennial Pageant

Following the coronation the first performance of the bicentennial pageant "Valley Echoes" will be given at 9:30 p.m. The pageant will have a cast of more than 300 people and will re-enact the history of Emmitsburg. A half hour of fireworks will follow the pageant.

The complete program follows:

Saturday: Grand Opening, 4 p.m. Parade through town to civic grounds; 9 p.m., Coronation "Miss Emmitsburg" by Senator J. Glenn Beall; 9:30 p.m., First performance of pageant "Valley Echoes."

Religious Pageant

Sunday: Faith of Our Fathers; 7:45 p.m., Band concert by Emmitsburg Community Band at civic grounds. (In case of rain—at High School auditorium); 9:30 p.m., Religious pageant, "Portraits in the Life of Christ" at civic grounds on pageant stage.

Monday: Frontier Day, all day, old fashioned bargains, old time specialties, deliveries by horse and wagon, merchants in costume of old days, historical window displays; 7 p.m., Old vehicle show on Main street, 7:30 p.m., Kangaroo court on the square; 9:30 p.m., Pageant (Continued On Page 9)

Install Fairfield Lions' Officers

New officers of the Fairfield Lions Club were installed Tuesday evening at a ladies' night meeting at Sanders' restaurant, Hunters-town. Forty Lions and guests attended the meeting with the retiring president, Wilbur Sites, in charge. There were corsages for all of the ladies.

This staff of officers was installed by William Musser: President, Charles Lott; first vice president, William Schultz; second vice president, William Bigham; third, Glenn Shriner; secretary, Edgar Glenn; treasurer, William Newman; tall twister, Clark Spence; Lion tamer, Mervin Weikert; and directors, Harold Deardorff and Richard Straup.

Perfect attendance pins were given to these Lions: E. H. Newman, who has received a pin each year since the club was formed 10 years ago; William Newman, William Schultz, Robert Reindollar, Wilbur Sites, Mervin Weikert, Maynard Stuckey and Harold Deardorff.

The club will go on its summer schedule next month and will meet next on July 2 at the Banks Benner property at 7 p.m. Glenn Shriner, William Schultz and Robert Reindollar are the committee in charge.

MAKE DRAWINGS OF BUILDINGS ON BATTLEFIELD

Architectural drawings and details of the historic buildings on the Gettysburg Battlefield soon will repose in vaults, or the library or congress along with similar reports on other historic structures, so that the future may always know "what they looked like," or if desired, restore them, if they fall into disrepair.

A team headed by Dr. Henry C. Edwards of the architectural department of the University of Illinois, will be at work here until September measuring, studying and making drawings of the buildings so that they could be rebuilt if destroyed. The study is being made for the Department of the Interior.

Under Dr. Edwards' supervision are three senior students of architecture from as many universities: Harold Nelson of the University of Michigan; Walter "Kip" Stowell of the University of Pennsylvania and Malcolm Smiley, of the University of Illinois.

Two-Summer Job

The team is one of several sent by the Department of the Interior this summer to make the "recordings" of historic buildings in eastern U. S. The program began in Philadelphia several years ago, broadened last year to include teams at such places as Harper's Ferry and Appomattox.

Dr. Edwards said the complete study of the ten historic houses on the Gettysburg Battlefield will "take about two summers." Approximately one week is devoted to minute measurements and study of the buildings themselves and their environs. About three weeks is needed to make the multitude of drawings from which the building can, if needed, be reconstructed.

"Preservation of our historic buildings is a new thing, not too many years old. Too many of our truly historic homes and buildings have been changed or destroyed and we have no record of them," the University of Illinois faculty member said.

Hope For Survey Renewal

Dr. Edwards is hopeful Congress will pass legislation resuming the Historic American Buildings Survey that "recorded" many famous buildings during depression days. "This section was not covered and there are many buildings in the Adams, York, Lancaster County area that (Continued On Page 3)

DIES TUESDAY AT HOSPITAL

Grayson W. Addlesberger, 49, Gardner R. 1, died Tuesday evening at 7:45 o'clock at the Warner Hospital. He had been admitted to the hospital at 12:15 o'clock Tuesday afternoon suffering a diabetic coma.

A son of Elmer and Hypatia (Wright) Addlesberger, he had been employed at Letterkenny for 12 years until 1955. Since then he has been employed weekends and holidays at the Moose lodge here. He was a member of both the Gettysburg Moose and Eagles lodges.

Surviving are his wife, the former Mildred Kuntz; his father, Elmer M. Addlesberger, Gettysburg R. 1, and three sisters, Mrs. Ethel M. Krazke, Gettysburg; Mrs. Henry River, Aberdeen, Md., and Mrs. Raymond Mathers, Camp Hill.

Funeral services Friday afternoon at 2 o'clock from the Duman Funeral Home, Bendersville, with the Rev. William E. Penstemaker officiating. Interment in the Idaville Cemetery. Friends may call at the funeral home Thursday evening from 7 to 9 o'clock.

Car In Which Two Were Killed

Above is the 1955 Oldsmobile in which David L. Neighbours and Charles Hubbard were killed Tuesday evening at 8:30 o'clock. The car evidently went out of control, snapped off a power pole bringing the high tension wires down on the vehicle and preventing rescue workers from removing the bodies from the machine. The accident occurred about a mile and a half east of Emmitsburg on Rt. 97. Both victims suffered multiple injuries. They were removed from the car about 10:15 p.m.

The first mosquito assault on Gettysburg this season has taken the town by surprise and residents are "up in arms."

"It looks like a repeat performance of 1956 when it wasn't safe for man or beast to be out of doors once the mosquitoes started buzzing," one veteran resident said.

Last year's "fogging" of the town was a decided flop and mosquitoes by the millions had full possession of the skies. The fogging machine which fogs a substance from the streets and alleys most often does not reach the breeding places and householders sitting in their yards were not even "chased" away from their chairs by the fog.

The only successful elimination of the mosquito pests has been by aerial spraying. Such a service is available this year by helicopter and in communities where this service has been in use the results have been satisfactory in every respect.

Gettysburgians need not be pestered with mosquitoes. They can be eliminated if the town is sprayed regularly.

\$1,000 Damage In Fairfield Rd. Crash

Damage totalled more than \$1,000 and a 19-year-old girl was slightly injured when a car ran off the road and struck a parked vehicle 1 1/4 miles west of here on the Fairfield Rd. at 10:50 o'clock this morning.

State police said Rachael Kiessling, 19, Gettysburg R. 3, was driving east enroute to her employment at the Howard Johnson Restaurant here when she lost control of her car. The auto went off the road to the north, struck a parked car of Frederick J. Hughes Jr., 18, Gettysburg R. 2. The car was parked in front of Hughes' home. The Kiessling car also damaged part of the lawn at the Hughes' home, destroyed some flowers and broke board steps leading toward the Hughes' home. Damage was estimated at \$700 to the Kiessling car; \$300 to Hughes' vehicle and \$50 to the Hughes property.

Miss Kiessling suffered a laceration of the chin.

VIOLATION CHARGED

G. Frederick Howe, 25, New Oxford R. 1, has been charged with a signal light violation in Hanover Monday in an information filed by police with Justice of the Peace George A. Lippy.

President Says Russia's Arms Plans Worth Studying

By MARVIN L. ARROWSMITH
WASHINGTON (AP) — President Eisenhower said today Russia's latest disarmament proposals are a hopeful sign deserving of the most earnest and sympathetic study.

Eisenhower told a news conference he is not suggesting that the United States should agree to any unlimited and unconditional suspension of atomic weapons tests.

Both the United States and Russia would have to know exactly what was going on under any suspension program, Eisenhower said.

Stassen Not Scolded
His remarks were a comment on the Soviet Union's recent proposal for an internationally supervised ban on atomic weapons tests.

On the same subject, Eisenhower said forcefully that Harold E. Stassen, his disarmament adviser, was not reprimanded when he returned from London talks briefly last week.

There was some feeling, Eisenhower said, that Stassen had been rushing ahead too fast. But he added he certainly does not feel Stassen's usefulness has been ruined.

"Delicate Matter"
Disarmament is a very complex, delicate matter, Eisenhower said, and it is necessary to call (Continued On Page 1)

Mrs. Wolff Is Improved

The condition of Mrs. Dorothy Wolff, Springs Ave., wife of Dr. Bruce N. Wolff, surgeon at the Warner Hospital, has "improved considerably," the local surgeon reported this morning upon his return from the University of Maryland Hospital, Baltimore.

"Mrs. Wolff is very much improved today. She is completely conscious and has suffered no permanent damage to her brain," Dr. Wolff said. Mrs. Wolff continues to suffer from headaches which may continue for a few days.

Dr. Wolff said it will not be known how long his wife will remain in the hospital until after further studies are made. He said that tests thus far made have been favorable.

Mrs. Wolff was stricken while attending the horse show at Twin Lakes Sunday afternoon. She was first believed to have suffered from heat exhaustion and she was removed to the local hospital. Early Monday afternoon she was removed to the University of Maryland Hospital where Tuesday her condition was reported as critical.

At Baltimore it was learned that Mrs. Wolff had suffered a ruptured aneurism.

8 School Districts Get State Funds

Eight Adams county school districts will receive \$16,631.78 from the state as reimbursement for tuition they paid for their students during the school year ending last July, the office of County Superintendent of Schools C. P. Keefer was notified today.

Conewago and Straban Twp.s, both of which send numbers of children to other school districts on a tuition basis, will receive the largest amounts. Straban will receive \$7,643.57 and Conewago, \$6,676.71.

McSherrystown, which sends all of its public school children into Conewago Twp. schools, will receive \$769.68. Franklin Twp. will receive \$856. Other sums due districts include: Highland Twp., \$315.76; Reading Twp., \$150.98; Biglerville, \$137.84 and Gettysburg, \$81.24.

Mrs. Leo Ginter Arrives In Japan

Mrs. Leo Ginter, Orrtanna, has arrived safely in Japan where she will reside for a year, according to word received by her family here.

Mrs. Ginter, the former Evt Richardson, had been residing with her father, Harry Richardson, Orrtanna, while her husband, M/Sgt. Leo R. Ginter, a member of the Signal Corps, was shipped from Camp Gordon, Ga., to Camp Pendley, Japan, near Tokyo, and could make arrangements for housing for his wife.

Their son will remain with his grandfather until his parents return from Japan next year.

130 EDUCATORS OF 3 COUNTIES MEETING HERE

One hundred thirty educators from three counties are gathered at Gettysburg College today and Thursday to discuss new techniques and devices used to improve instruction.

Keynote for the 13th annual summer discussion conference sponsored by the Schoolmen's Associations of Adams, Franklin and York Counties and the Pennsylvania Branch, National Association of Secondary Principals, was sounded this morning by Dr. John C. Albohm, superintendent of the York City schools.

Holding that "school boards should set the goals for a school system," but the teachers should "decide how to teach science and mathematics, history and English," Dr. Albohm told the group. "Our whole basis and reason for being is in that one word 'instruction'."

"Today's cold war is in the classrooms of the free world. The next twenty years will mean more to the citizens of this nation than any twenty years in its history. I now of no better weapon than education and good schools to help America win the battle against the new totalitarianism which would enslave the minds of men. The task of education is ours. We are the ones who must give the instruction. It should be the best."

Trying To Improve

The talk by the York educator indicated numerous experiments are underway to improve instruction. "At Evanston, Ill., experiments are being conducted on use of closed circuit television to permit best teachers to give instruction to pupils in a number of rooms. (Continued On Page 2)

More Candidates Report Expenses

Additional expense accounts were filed by candidates in the recent primary with the county election board Tuesday. Thursday is the last day for filing such accounts.

Charles D. Baird, Gettysburg R. 4, Republican candidate for sheriff, spent \$498.89 in his campaign with most of the money going to workers. Clark Spence, Orrtanna, Republican candidate for county treasurer, spent \$483.63 and lists three workers as among his expenses. Clarence D. Deardorff, Republican candidate for associate judge, spent \$326.64 of which \$107 was for traveling expenses.

J. Herbert Weikert, Gettysburg Republican candidate for tax collector; Clyde A. Allison, Arendtsville, Democratic candidate for clerk of courts; and Dawson R. Miller, Democratic candidate for sheriff, each spent less than \$150, according to their accounts.

2 Emmitsburg Men Are Killed As Car Strikes Power Pole On Taneytown Rd. Tuesday

Two Emmitsburg men, David L. Neighbours, 31, DePaul St., and Charles R. Hubbard, 37, Federal St., were killed instantly at 8:30 o'clock Tuesday evening when a 1955 Oldsmobile driven by Neighbours ran off the left side of the road while traveling west on Route 97, about a mile and a half east of Emmitsburg, and broke off a power pole.

Neighbours died of a fractured skull and a crushed chest. Hubbard suffered a fractured skull, crushed chest and face, and crushed thighs.

Immediate rescue of the two men who were trapped in the car from 8:30 until 10:15 p.m. was impossible because the high tension wires from the broken power pole were draped over the car and started two small fires. The bodies were removed from the car with the help of the Emmitsburg firemen and a Potomac Edison Company crew once the power was shut off. The car was completely demolished.

TO ASK FEDERAL JURY TO INDICT BANK SUSPECT

A federal grand jury will be asked to indict Miss Doris Jean Henderson, 28, Biglerville, for her alleged part in the holdup robbery of the Arendtsville National Bank last November 7, U. S. Attorney Robert J. Hourigan said Tuesday at Scranton.

Hourigan told of his plans as Miss Henderson was transferred from Lackawanna County prison at Scranton to the Dauphin County prison in Harrisburg.

Miss Henderson was arrested in Tucson, Ariz., last May 9 with James Nevin Keller, 31, Gettysburg R. 3, also charged with the Arendtsville holdup robbery and with taking a stolen car across a state line. The arrests were made by the FBI.

Last Thursday evening while Keller and Miss Henderson were at Midway airport in Chicago and about to board a plane to continue their trip to Scranton, Keller escaped in the confusion surrounding two fainting spells by Miss Henderson.

At the time police said they believed the fainting spells were faked. Later two of the three U. S. marshals on the scene were quoted as saying they thought Miss Henderson's illness was genuine.

Keller remains at large, the object of a widening hunt by police and the FBI.

PROVIDE FOR "CHALLENGE" WHEAT VOTES

Farmers who would plant more than 15 acres of wheat if there were no quotas may vote in Thursday's wheat quota referendum, Roy A. Weaver, chairman of the Adams County Agricultural Committee, said today.

Lists of all farmers eligible to vote, because they have quotas in excess of 15 acres of wheat, will be sent to the men handling the referendum at the voting centers: Adams County ASC office, 146 York St.; Rebert's Implement Shop, Littlestown; Farm Bureau Building, New Oxford; Fair's Service Station between Hampton and York Springs and Biglerville High School.

Because many farmers who now have less than 15 acres of wheat might grow a larger acreage than that if permitted, the county ASC committee today noted that they may cast what is called a "challenge vote" at the referendum.

Voting For 11 Hours

The names of such farmers will not be on the lists of those eligible to vote but their votes will be taken and placed in special envelopes.

After the balloting, the challenge votes will be turned over to the county ASC board to check against the records, and if the records of the farms show that the farmer's operation would normally permit him to plant more than 15 acres of wheat his vote will be counted.

The polling places will be open from 8 a.m. to 9 p.m. Thursday for the wheat quota referendum. If more than one-third of the voters in the nation disapprove of wheat acreage quotas then there will be no penalties on farmers growing more than their allotted acreage. But support prices will be at 50 per cent of parity. If at least two-thirds of the voters favor quotas then there will be penalties on wheat in excess of allotted acreages and support prices will be about 75 per cent of parity.

TREATED AT HOSPITAL

Mrs. Wilbur Crouse, 20, Littlestown, an employee of the Gettysburg Shoe Co., was treated at the Warner Hospital for an injury to her left index finger sustained while stamping shoes.

Lisa Oyler, 10-month-old daughter of Mr. and Mrs. Donald Oyler, 47 Locust Ave., was treated for an injury to her mouth received when she fell against a chair.

The two men were reportedly "trying out" the car which was owned by the Sanders Brothers Garage, Emmitsburg, for possible purchase.

Funeral On Friday

Neighbours was a native of West Palm Beach, Fla., and the son of the late Herbert and Kathleen Crawford Neighbours. He has resided in Emmitsburg for the past 16 years where he operated a tire recapping service.

He is survived by his wife, Mrs. Eunice Bouey Neighbours and four children, Julie, John, Janice and Joel. Three sisters also survive: Mrs. Paul Claypool, Emmitsburg; Miss Margaret Neighbours, Emmitsburg, and Miss Ruth Neighbours, Cincinnati.

A veteran of Navy service in World War II, he was a member of the Emmitsburg posts of the VFW and American Legion. He was also a member of Elias Lutheran Church. Funeral services Friday at 11 a.m. with the Rev. Philip Bowers officiating at the Allison Funeral Home, Emmitsburg. Interment in new St. Joseph's Catholic Cemetery. Friends may call Thursday evening after 7 o'clock.

Has 4 Children

Hubbard, a native of Emmitsburg, was married to the former Marie F. Gelwicks and was the father of four children: Charles R., Suzanne, Roland F., and Patricia Anne Gelwicks, all at home. Other survivors include his parents, Charles C. and Martha Shrock Hubbard, Emmitsburg, and three brothers, Henry, Wilbur and Emory Hubbard.

Funeral arrangements are being handled by the M. L. Creager Funeral Home, Thurmont, where friends may call after 7 o'clock this evening. The Holy Name Society of St. Joseph Church, Emmitsburg, of which Hubbard was a member, will offer the Rosary Thursday evening at 8 o'clock. There will be a Requiem Mass Friday at 10 a.m. at St. Joseph's Church with burial in St. Joseph's Cemetery.

Hubbard was an employee of Neighbours at the Neighbours Tire and Recapping Service, Emmitsburg.

Daughter Has 1st; Mother 7th Baby

There's a young uncle in the Warner Hospital nursery who arrived in Gettysburg Tuesday evening to find he has a niece about four hours his senior.

The mothers of the pair — mother and daughter — are sharing the same room in the maternity section at the hospital.

Shortly before 5 o'clock Tuesday afternoon at the Warner Hospital, Mr. and Mrs. Jack Rebert, Littlestown, became the proud parents of their first child, a girl named Sharon, who weighed in at 7 pounds 15 1/2 ounces.

At 9:05 p.m. Tuesday in the same hospital, Mr. and Mrs. Robert Koonitz, Littlestown, welcomed their seventh child, an 8 1/2-pound boy.

Mrs. Rebert is 19-year-old Joan Koonitz Rebert, daughter of Mr. and Mrs. Koonitz. Mrs. Koonitz is 39.

REPORT ON FLOAT

Cletus S. Mayer reported to the Exchange Club on the progress of the Fourth of July float committee at the weekly meeting of the club Tuesday evening in the Plaza Restaurant. Next week's meeting will be held at 6:30 o'clock Tuesday evening at the Hemlock Inn, The Narrows. A car pool for transportation will be organized at Peters' Funeral Home, 321 Carlisle St.

WORK FOR FIREMEN

Members of the Gettysburg Fire Department will report this evening at 7 o'clock to the engine house, E. Middle St., to begin moving equipment from the engine house to the Recreation Field for the forthcoming carnival, it was announced today.

TO PLAN PICNIC

Plans for games and prizes for the Black Walnut district family picnic to be held Sunday, June 30, at the South Mountain fairgrounds will be made at a meeting of the district commissioners this evening at 8 o'clock at the fire engine house here.

3 FARM YOUTHS GOING ON TRIP

Three Adams County farm youths Thursday will take part in a special tour as winners in a contest held by the Adams County Council of Farmer Cooperative.

They are Kenneth Sterner, son of Mr. and Mrs. Glenn Sterner, Gettysburg R. 1; John Weber, son of Mr. and Mrs. John Weber, Gettysburg R. 3, and Paul Kuhn, son of Mr. Freda Kuhn, Aspers.

The three were selected on the basis of their farming programs, leadership activities, cooperative activities, cooperative practices and knowledge of farmer cooperatives.

Dinner in York

They will visit the General Motors assembly plant at Wilmington, Del.; the Producers Poultry Cooperative, Coatesville, and the King Ranch Buck and Doe Valley Farm. The tour will close with a dinner at the Old Homestead Inn, York.

The three were selected by the judging committee at a meeting Monday at the Adams Electric Cooperative plant, rear of N. Stratton St. Cooperatives sponsoring the project include the National Farm Loan Association, Production Credit Association, Adams County Farm Bureau, Adams Electric Cooperative, Eastern States Farmers Exchange and Southeastern Artificial Breeders Cooperative.

Opposes Bigger Judges' Pensions

Assemblyman Francis Worley of Adams County spoke on the floor of the House at Harrisburg Tuesday against a Senate bill which would increase judges' retirement pay to 80 per cent of their salary while on the bench. Later he and 21 others voted against passage of the bill but 179 voted for it. Worley was the only representative to speak against its passage.

He told the House: "When I see bills like this, another biennial handout of the poor taxpayer's money, I am again extremely glad that I voted against the non-earmarked 3 pct. sales tax every time it came up in this House. We don't have money for many other appropriations. How do we get money for the judges' biennial raid on the treasury. Now let's stick with the people and vote against this bill." Today Worley said the bill, if signed by the governor, will cost the state over \$400,000 a year.

In other votes Worley opposed a bill to give House and Senate employees an increase in pay, voted against a bill to take country clubs out of the quota law and voted for the Korean veterans' bonus.

Teacher assistants work with the classes. Use of tape recorders and sound tapes, especially in teaching, spelling and foreign languages, is an experiment being studied at Omaha, Nebraska. With the tapes, groups of different sizes, depending on the activity, listen and follow instructions through earphones.

"At Roseville, Minnesota, additional opportunity is being given interested science students to use science laboratories during activities periods and Saturday mornings under direction of cadet science teachers and scientists on loan from industry. At Newtonville, Mass., English classes are being grouped across curricula and across years for instruction in such common learnings as spelling, vocabulary building, background lectures, etc.

"At Snyder, Texas, teachers have been freed from usual schedules. They work together as teams with large groups of students and at other times individual teachers work with small groups and individuals as needed. In addition the classes are so planned that when there is need for a long period of instruction it can be provided, or if only a short period is needed, that can be provided.

He added "Better utilization of the school plant and teacher services will lead to operation of schools during longer periods each day, for more days in the week, and for more weeks during the year. This does not mean that all teachers will work 12 months a year, but those who wish will be able to do so and receive higher salaries."

A Senate resolution noted his proposed retirement and wished him happiness and contentment in "his many years to follow."

TRAVEL COUNCIL TO MEET

A special meeting of the Gettysburg Travel Council will be held Tuesday evening at 8 o'clock at the VFW post home, 369 E. Middle St. President John Y. Crow has announced.

PARIS (AP) — The French liner Liberté was forced to delay its scheduled departure for New York today because of a strike by maritime engineers and mechanics of the Communist-dominated General Workers' Union (CGT). The strike was in its third day.

Shipping officials expressed concern that the delay in the departure of the French line vessel would throw transatlantic passenger traffic into confusion in the midst of one of the heaviest tourist seasons in decades.

Suez, Egypt (AP) — Traffic was resumed in the Suez Canal today after a 12-hour stoppage caused when a British tanker ran aground 25 miles north of Suez.

MOVE TO UPSET GIRARD RULING

WASHINGTON (AP) — The government moved with all speed today in an effort to upset a court ruling barring U.S. authorities from turning over GI William S. Girard to Japan for trial on manslaughter charges.

All indications pointed to a direct appeal to the Supreme Court, with hopes for a final decision before the court ends its present term next Monday.

The final decision on whether to go directly to the Supreme Court rather than going through the U.S. Court of Appeals here rested with Solicitor General J. Lee Rankin. His decision is expected today.

Appeal machinery was set in motion within an hour after U.S. Dist. Judge Joseph C. McGraghy handed down his decision in favor of Girard yesterday afternoon.

This came in the form of a formal notice of appeal filed in District Court.

Girard's attorneys and supporters were jubilant at McGraghy's decision. The judge ruled that to surrender the 21-year-old soldier to the Japanese would violate his constitutional rights.

17,000 Growers Vote On Wheat

HARRISBURG (AP) — An estimated 17,000 Pennsylvania wheat growers are eligible to cast ballots in tomorrow's nationwide referendum to decide whether federal marketing quotas and penalties will remain in effect on the 1958 crop.

This year the outcome of the over-all vote is greatly in doubt because of dissatisfaction with the wheat program.

A two-thirds (National) vote of approval is necessary for the controls to remain in effect. Pennsylvania's statewide total does not decide the outcome for the state but is added to the results of the 35 other wheat-producing states.

Last year only 1,600 ballots out of an estimated 17,000 eligible were cast in the commonwealth. About one-third of those voting favored the quotas and supports. Last year the 87.4 per cent of the country's wheat farmers voted for the quotas on this year's crop.

Graduates At Ursinus

Dean W. Bankert, son of Mr. and Mrs. Wilbur A. Bankert, Maple Ave., was graduated from Ursinus College, Collegeville, this month with a Bachelor of Arts degree. Dean graduated from the Littlestown High School with the class of 1953.

Robert C. Koontz Jr. received the degree of Bachelor of Arts from Dickinson College, Carlisle, at the June commencement exercises. A graduate of the local high school in 1953, he will be serving with the armed forces in the fall. Robert is the son of Mr. and Mrs. Robert C. Koontz, Patrick Ave.

Gettysburg College has lost only one home football game in five seasons. When Lehigh nipped the Bullets by a 21-18 score in 1955, the Engineers became the first team to win at Memorial Field since Albright turned in a 7-0 decision on Oct. 11, 1952. Western Maryland, Albright, Lafayette, Temple, and Franklin and Marshall will try in 1957.

Trying To Beat The Heat

ought to be recorded for posterity," he said.

If the survey is reinstituted, as Congress is considering, Dr. Edwards hopes his group can make studies of "all of these wonderful old buildings around Gettysburg, not just those in the park."

The Illinois instructor and the three architectural students are loud in praise of the community and area.

"The Snyder house we are studying right at this moment is a good example. It is almost 18th century, and a truly regional architecture. Even though it was built around 1830, as were many of the buildings on the battlefield, it is still a regional 18th century style. The Culp house is more sophisticated. It is a 19th century house, although all were built around the same time." The Snyder house is located near Round Top on a lane off the Emmitsburg Rd. near W. Confederate Ave.

The barns are another enthusiasm of Dr. Edwards. "The barns are probably more interesting than the houses. The McPherson barn and others. They were built in a truly individual way. This section has barns like no others."

Edwards' enthusiasm is echoed by the students. Nelson observes, "Where could you get the masons today to build like some of these buildings here were constructed?" He adds, "I think maybe someday I can get some of the atmosphere of some of these buildings into new homes. There are many little details that can be copied."

Nelson, Smiley and Stowell agree: "This will be an interesting summer. There are not only the buildings on the battlefield which we will be working on, but Gettysburg is an interesting study in our spare time. You have a beautiful town in many ways. There is much that is good in your architecture."

7 STARTERS RETURN

Seven starters from Gettysburg's 1956 football team which won seven and lost only two will be on hand again this season. First-stringers returning include fullback Frank Capitani; halfbacks Don Hailey and Earl Yost; tackles Al Kempton and Marty Hoffer; guard Don Harman, and center John Yoim.

69 Adams Grocers Offer Movie Passes

Sixty-nine cooperating grocers in all sections of Adams County are distributing free tickets to the Majestic Theater in cooperation with the Colgate-Palmolive Company, makers of Ajax Cleaners and Cashmere Bouquet Soap.

In addition to the free movie tickets, usable at the Majestic when accompanied by a paid admission, the coupons being given patrons by these grocers carry with them a chance to win these prizes with drawings to be made from coupons used at the Majestic: A \$349 Kelvinox electric range from Weis; a bicycle from Reinhold's in Fairfield; a \$45 man's summer suit from Pitzer's Men's Wear; a \$15 lady's dress from Tobey's; 50 gallons of gasoline from Herr Motor Sales at New Oxford and a pair of shoes from Martin's Shoe Store.

The drawing for prizes will take place on the Majestic stage at 9 p.m. July 9 and will be carried "live" on a WGET broadcast.

Heat Breaks

ing heat. The storms struck portions of Philadelphia, Montgomery, Bucks, Berks, Lehigh and Northampton counties, causing widespread damage to crops and livestock but no deaths were blamed on the thundersqualls.

Eight towns were struck by lightning on a farm two miles southwest of Easton. Another bolt hit a home in Perkaskie, Pa., and a third set a barn ablaze at Steinberg in Bucks County.

A number of trees and utility poles were felled by gusty winds in Lehigh and Northampton counties. Perkaskie was pelted by a hail storm with the stones reported as big as moth balls.

Some hail also was reported at Philadelphia where the late afternoon squall caught many office and factory workers heading home.

19 Drownings

Shenandoah, Shenandoah Heights, Ringtown, Girardville, Mahanoy Twp. and West Mahanoy Twp. were without lights and power for three hours yesterday when a transformer blew out. A Pennsylvania Power and Light Co. official said the intense heat had dried up the oil supply in the transformer.

Since last Friday midnight 19 persons have drowned in Pennsylvania while seeking relief from the sizzling temperatures and three others have been killed by lightning.

The scattered showers and thunderstorms caused some damage in portions of western Pennsylvania. Medium to heavy rains with lightning were reported at Aliquippa, Monaca, Rochester and Beaver. Storms of lesser intensity were reported at Ellwood City, Beaver Falls, New Castle, Uniontown, Mt. Pleasant, New Kensington and Oil City.

Four Houses Hit

Four houses were struck by lightning in the Allentown area. Mrs. Marie Uhland, 73, North Wales, Route 1, was struck by a bolt while visiting Montgomery County Park at Green Lane. She was treated for burns at Montgomery County hospital in Norris-town.

Two Easton boys, Robert Tilwick, 16, and Reade Transue, Jr., 16, were trapped temporarily in their car when lightning hit a utility pole and dropped a live wire on the roof of their vehicle. They sat in the car until rescue workers shut off the power and removed the wire.

HUMMEL ON ALL-STARS
Gene Hummel, Gettysburg's new line coach, played with the Eastern College All-Stars against the professional New York Giants in the Polo Grounds in Sept., 1949. The All-Stars won, 28-13. Hummel was selected to the All-Star squad on the basis of his outstanding guard play for two seasons at Gettysburg.

"Miss Pennsylvania" On Music Fete Program By Jaycees July 19

Miss Lorna M. Ringler, of West Chester, who is Miss Pennsylvania of 1957, will appear on the program at the annual summer music festival to be sponsored by the Littlestown Junior Chamber of Commerce on Friday night, July 19, on Littlestown Memorial Field. Miss Ringler entertains as a singer and a dancer.

Plans for the musical were advanced at the semi-monthly dinner meeting of the Jaycees held on Monday evening at Schott's Hotel. Al Herndon, announcer over WBAL-TV, Baltimore, will serve as the musical's emcee. The committee in charge of general arrangements, which includes Ray T. Harner and Clyde W. Crouse, co-chairman, William R. Keefer, L. Robert Snyder and John F. Feeser Jr., announced that the rain date for the festival has been set for Saturday, July 20. The various acts to appear on the program will be announced in the near future.

The next meeting of the Jaycees will be held on Monday, July 8, 6:30 p.m. at Crouse's Pool, near town. The evening meal will be served by a caterer.

Auxiliary Meets

The Ladies' Auxiliary to the Kingsdale Fire Company met on Monday evening in the engine house, near town, and the session opened with group singing. Plans were made to serve a banquet in the near future. The Auxiliary secured a piano for use at engine house functions. Mrs. Lester Myers donated material to make a piano cover. Reports were heard from Mrs. Glenn E. Crouse, secretary, and Mrs. Lester Myers, treasurer.

During the social hour, refreshments were served by Mrs. Myers and Mrs. Francis Gerriek. Mrs. Anna Bair, Mrs. Mahlon Bucher and Mrs. Ernest Baumgardner will serve as hostesses at the next meeting on Monday, July 15.

The Graces and Girl Scouts of Littlestown are enjoying their annual week of day camp at Camp Happy Valley. The girls have been divided into five groups for the week's program: Brownies A and B, Intermediates A and B and Flyers.

The teaching of music is in charge of Mrs. John Kump and Miss Judy Long; nature study, Mrs. Charles E. Ritter and Miss Janet Sell; arts and crafts, Mrs. Robert D. Hensel, Mrs. Robert H. Miller and Mrs. Emerson F. Miller; games in charge of the Senior Girl Scouts. weekend, the National Safety Council said today.

The Council estimates there will be 45,000,000 motor vehicles on the nation's 3,400,000 miles of streets and highways — an average of about 13 vehicles a mile if they should all take to the road at the same time.

In an attempt to prevent a holiday of tragedy for hundreds of persons, the Council again is conducting a nationwide campaign for a safe Independence Day celebration. The campaign, supported by 158 national organizations, is designed to increase public awareness of the extra holiday hazards and the extra caution needed to overcome them.

"Accidents of all kinds took 8,500 lives last July," said Ned H. Dearborn, president of the Council, "and the Fourth contributed substantially to the toll."

"This year we have many dangerous factors — a four-day holiday, more cars and mileage, and plenty of money. These add up to a big celebration — and a big hangover of grief and suffering unless we crack down on the small minority of drivers who refuse to heed appeals for decent behavior behind the wheel. Fortunately most drivers are decent, law-abiding citizens who may be guilty of inattention, thoughtlessness or ineptitude, but who will listen to appeals for safety and try to hold down the toll."

"There are two ways to hold down deaths during a holiday period such as the Fourth. One is for police to be especially alert and vigorous in enforcement, and crack down on those

LEOPARD GRID TEAM HERE FOR HOMECOMING

Lafayette will furnish the opposition in Gettysburg College's 1957 Homecoming football game to be played on Saturday, Nov. 2, making this the third consecutive season these teams have met in a Homecoming clash.

Two years ago the Bullets used a last-quarter field-goal by reserve quarterback Jim Soltesz to nip Lafayette 14-13 in a rain-soaked Homecoming clash at Gettysburg. Last season, in Lafayette's annual Homecoming game, Gettysburg beat the Leopards 12-6 to stop a Lafayette five-game winning streak.

Bullets Trail In Series
Although Gettysburg has beaten Lafayette in the past two contests this is certainly no indication of the way the over-all series stands. The Leopards, with a 20-6 win in 1954 when the series was resumed, has won 13 games since the first battle was staged in 1894 while Gettysburg has won just four.

This year's battle will be the sixth for Gettysburg on a nine-game schedule. Before tangling with the Leopards, the Bullets, playing under new head coach Gene Haas, will have met Bucknell, Western Maryland, Lehigh, Albright and Muhlenberg. Following the Lafayette contest, Gettysburg is scheduled for an away game with Scranton and home tilts against Temple and Franklin and Marshall.

PASADENA, Calif. (AP)—James R. Williams, 69, cartoonist whose "Out Our Way" was syndicated in more than 700 daily and Sunday newspapers with a total readership of 32 millions, and whose other cartoons were titled "Why Mothers Get Gray," "Born 30 Years Too Soon," "When You'd Love to Live Forever," and "The Worry Wart," died yesterday. He was born in Halifax.

ALL G-BURG STAFF

In spite of the numerous recent changes, Gettysburg College's grid coaching staff for 1957 still will be entirely composed of Gettysburg graduates. Head coach Gene Haas received his degree in 1943; line coaches Gene Hummel and Jack Ridinger graduated in 1949 and 1956 respectively, and backfield coach Howie Shoemaker was graduated in 1946.

Cook's Store Changes Hands:
Announcement is made by C. W. Cook, center square men's and women's furnishings store proprietor, that he had transferred his entire business to Charles W. Gardner, former York Street merchant, under the sales in bulk act.

Miller Wins Shoot Title: George Miller, proprietor of the City Market, Chambersburg Street, and one of the best clay target shooters in the state, again Thursday demonstrated his marksmanship when he won the Class C Championship of the state in the annual shoot at Allentown.

Postal Rates Raise July 6: Changes in rates of postage under the new tax bill were pointed out to the public today by Postmaster John Eckert. On July 7 the rate on first class mail will be increased from two to three cents for each ounce or fraction of an ounce. The rate on post cards will remain at the present one cent rate.

Paul Schultz Heads County C. E. Workers: The annual convention of the Adams County Christian Endeavor Union was held Thursday afternoon and evening in East Berlin. Miss Helen Sheely, Gettysburg, presided.

The afternoon sessions were held in the Reformed Church with a song service in charge of Paul Reaser of Gettysburg.

The election officers resulted as follows:

Paul Schultz, Gettysburg, president; Miss Helen Sheely, Gettysburg, vice president; Miss Marion Deatrick, Gettysburg, secretary; Harold Heiges, Biglerville, treasurer; Miss Vivian Brumgard, Littlestown, president of the southern district with Allan Kindig, Littlestown, assistant; Miss Nettie Raffensperger, Biglerville, president of the northern district; Charles Gentzler, East Berlin, president of the eastern district; Guy Brown, Fairfield, president of the western district, with Kenneth Kittinger, also of Fairfield, assistant; Harold Reuning, Gettysburg, president of the central district.

Paul Reaser, efficiency superintendent; Miss Jean Thomas, Biglerville, publicity superintendent; Harold Dunkelberger, Gettysburg, assistant publicity superintendent; Miss Miriam Waltemyer, Gettysburg, junior superintendent; Miss Louella Snider, Gettysburg, intermediate superintendent, and Miss Ruth Cashman, Gettysburg, missionary superintendent.

Rural Carriers' Officers Re-elected: Between 40 and 50 men and women, members of the Adams County rural mail carriers association and the auxiliary, attended a quarterly meeting at the home of Mr. and Mrs. Charles Pfeffer, Steinwerth Avenue, extended, Thursday evening.

A feature of the meeting was three-election of all former officers for the coming year. The officers include Mr. Pfeffer, president; O. S. Staley, Littlestown, vice president; Maurice McCullough, Gettysburg, treasurer, and Charles Hartzell, Gettysburg, secretary.

Colonel Edgar E. Davis To Retire From Service At Midnight, July 31st: Colonel Edgar E. Davis, superintendent of the Gettysburg National park, will retire from active service on July 31. This announcement was confirmed this morning by Colonel A. K. Burkette, commandant of the Third Corps area, Baltimore, under whose jurisdiction the local park is operated.

Colonel Davis came to Gettysburg June 27, 1927, from Washington where he was assistant executive officer in the cemetery division of the war department. He succeeded the late Colonel Cope.

George Taylor Resigns From G. and H. Company: George L. Taylor, for five years general manager of the Gettysburg-Harrisburg Transportation company, with headquarters in Gettysburg, has resigned his position effective July 1.

In resigning from the Gettysburg-Harrisburg Transportation Company Mr. Taylor acquires all the stock of the Gettysburg Transportation Company, a subsidiary corporation.

Today's Talk

SILENCE

Most of these talks are written late at night when it is silent and ready for communication. And though there is no talk or outward noises, for the night itself is silent, the thoughts that come to me in this room are thoughts of peace and thankfulness to God for blessings that stream about me and comfort me in this silence.

In silence we are most to ourselves. Then it is that we self-examine ourselves, and grow in spiritual power. Alone in silence. We think of our loved ones in silence. We pray in silence, when the noises and confusions of the day are at an end.

I love the country, the silent waters of the lake and sea, early in the morning, when all is quiet and full of mystery. How often in the summer time I awake early and catch the first beautiful rays of the rising sun! Always an inspiring sight, as well as that of the moon as it seems to climb from the forest and hills and spread a path across the silvery waters.

I am no expert fisherman but I have loved the early days when a companion and myself reached a place for fishing, even before the light had spread its arms about the earth. The silence and beauty of the earth are its greatest glory. This silence is spiritual medicine. It cures the ache of the heart. I like to sit with a friend in silence. Like Carlyle and Tennyson used to do.

The silence of the sea when it is calm is an inspiring experience. It brings out the bigness of God, who rules the sea as He does the land. In my heart the song of the mocking bird in the Southland is framed in memories that come to me time and again. There is relaxation in silence. And there is hope.

Tomorrow Mr. Adams will talk on the subject: "Worry"

Just Folks

FOOLISH

A foolish boy there used to be
Who grew to be a foolish man.
And what he resembles me,
Although I hide it when I can.

To be a foolish man he grew,
But now whenever alone I sup
I wonder, and I wish I knew,
Do foolish little boys grow up?

With time the body taller grows,
With time black hair is changed to gray,
But no one sees, and no one knows,
The foolish boy of yesterday.

And yet, that boy is part of me;
Has never left or suffered change.
I'm still as foolish as was he,
And that, I think, is rather strange.

IAEA TREATY IS RATIFIED BY 67-19 VOTE

WASHINGTON (AP)—Strong, bipartisan approval of U. S. membership in the International Atomic Energy Agency has given President Eisenhower another foreign policy victory in the Senate.

Democrats slightly outnumbered Republicans in the 67-19 vote by which the Senate last night ratified the IAEA treaty and approved U. S. participation. The proposed agency is an outgrowth of Eisenhower's "atoms-for-peace" proposals in 1953. No House action is necessary.

Democrats also outnumbered the Republicans in a 55-31 vote rejecting an amendment by Sen. Bricker (R-Ohio) which would have denied Eisenhower authority to provide fissionable materials to the agency without prior congressional consent.

Johnson Backs Ike

With Sen. Lyndon B. Johnson (D-Tex.), the majority leader, supporting the President all the way, 35 Democrats voted for ratification and 31 opposed the Bricker proposal.

Republican Leader Knowland (Calif.) and 31 other Republicans supported ratification. But 18 Republicans voted against Knowland—and the President—in favor of Bricker's proposed curb.

Nine Democrats and 10 Republicans opposed ratification of the treaty.

The Senate action, which will be implemented by legislation now pending before the Senate-Atomic Energy Committee, clears the way for the President to make agreements with the international agency when it is formed later in the year. Under these agreements uranium 235 may be made available for worldwide distribution for power and other peaceful uses.

Thieves Finally Make Mrs. Sebastian Angry

NORTH SACRAMENTO, Calif. (AP)—Thieves finally made Mrs. Grace Sebastian angry.

Police said she told them she didn't care enough to report the theft of a \$100 watch, \$80 in cash, \$100 worth of liquor and some gas from the car over a period of six weeks.

"But when they took my seven books of trading stamps I got mad," she complained. "I licked every stamp myself."

HAVE 10 DAYS TO FILE DEATH ORDER BRIEFS

CHEYENNE, Wyo. (AP)—Attorneys today had 10 days to file supplemental briefs to oral arguments in the death sentence appeal of Ernest L. Lindsay, 23, of Harrisburg, Pa.

The arguments were heard in the Wyoming Supreme Court yesterday.

Justice Harry Harnsberger suggested Defense Atty. J. B. Sullivan file briefs strengthening his contention Lindsay did not kill Herbert E. Diestler, retired Laramie, Calif., real estate man, in committing or attempting to commit robbery.

Diestler was killed in living quarters on the back of his pickup truck, parked on a road near Shawnee, Wyo., June 20, 1955.

Admitted Being Armed

Harnsberger told Sullivan that Lindsay had admitted during his District Court trial that he went to Diestler's truck to "take something of value." Lindsay was convicted Feb. 12, 1956, of first degree murder and sentenced to die in Wyoming's gas chamber.

Harnsberger told Sullivan that Lindsay admitted being armed. He pointed out that Wyoming's robbery statute says when a firearm is exhibited, it constitutes an act of robbery.

In his arguments yesterday, Sullivan claimed the lower court erred in permitting testimony by Lindsay's companion that the two were riding in a stolen car.

The companion was Kenneth Phillips, 26, of Norrisstown, Pa. Phillips pleaded guilty to a second degree murder charge and is serving a 20 years to life sentence.

Lauritz Melchior Robbed Of \$250,000

HOLLYWOOD (AP)—Three gunmen last night invaded the home of opera star Lauritz Melchior and robbed him of furs, cash and jewelry he said were worth almost \$250,000.

The men fled in an old sedan after binding Melchior, his wife Kleinen and two employees.

The Danish-born singer said he was watching television in his hill-top home on Mulholland Drive when the three tall men, wearing masks and armed with .45-caliber pistols, forced their way in.

CARDINAL GETS WARM WELCOME

WARSAW (AP)—An enthusiastic crowd of thousands mobbed Stefan Cardinal Wyszynski today on his return from six weeks in Rome.

Cheering, hymn-singing women threw flowers in the path of Poland's Roman Catholic primate. It took a cordon of young priests and laymen 20 minutes to clear the way from his train to his car.

Crowds at stations across Poland made the train nearly two hours late arriving. The thousands waiting in the capital sang the hymn "God Be With Us," a symbol of the Church's struggle during the Stalinist era.

Cardinal Wyszynski drove directly to St. John's Cathedral in the medieval "Old Town" to celebrate Mass. He then received welcoming delegations at his flag-decked palace.

He had gone to the Vatican for his first visit since 1951 to receive his insignia as a Prince of the Church and to report to the Pope on the Church's reconciliation agreement last December with Poland's new "nationalist" Communist government.

The agreement, concluded after Cardinal Wyszynski's release from house arrest by the new Red regime, restored religious education in the schools, allowed chaplains to work in hospitals and prisons, and recognized the government "theoretical" voice in church appointments.

Warriors, Delone Drop Grid Clash; Schedules Revealed For Four Local Teams In '57

Announcement of the Gettysburg High School football schedules for 1957 reveals that one of the best revenue producing games, that with Delone Catholic of McSherrystown, has been dropped.

George Forney, athletic director, said agreement was reached between the schools to drop the game some time ago. Forney asserted that local officials felt the South Penn. Conference competition offered enough rugged competition without an "outside" game with such an opponent as the Squires. They acknowledged considerable revenue will be lost but feel that consideration must be given to boys on the squad.

The Gettysburg - Delone series began in 1939 with Delone holding 10-6 advantage. Last year the Squires rolled to an easy 47-0 victory. Each year the game attracted one of the top crowds for both schools.

The 1957 schedule follows:
September 13, Westminster, home;
20, open; 27, Shippensburg, home;
October 4, Chambersburg, away; 11, Mechanicsburg, home; 18, Middletown, away; 25, Hershey, home;
November 1, Waynesboro, away; 8, Carlisle, home; 15, Hanover, away.

Jayvee Schedule
September 26, Waynesboro, home;
October 7, Biglerville, away; 10, Hanover, home; 17, Shippensburg, home; 31, Chambersburg, away.

Junior High
October 3, Washington Twp., home; 10, Shippensburg away; 17, Waynesboro, home; 24, Hanover, away; 31, Chambersburg, away.

7th-8th Grades
October 2, Boiling Springs, home; 16, Hanover, away; 23, Biglerville, home.

"BOBO" OLSON BEATS MAXIM

PORTLAND, Ore. (AP)—Over-sized Carl "Bobo" Olson looked like something of his old self last night in clubbing out a 10-round split decision over Joey Maxim of Cleveland, Ohio.

Olson, former middleweight king, now managing a Vancouver, Wash., night club, weighed 187 to Maxim's 188½.

The extra weight did not seem to bother Olson. He swarmed over the clever Maxim, former light-heavyweight champion, from opening bell to the end. And although he never had his opponent in trouble, he seemed to have things well in hand all the way.

Referee Ralph Gruman gave Maxim the bout 55 points to 54. The judges swung it to Olson's favor. Eddie Volk voted 57½ for Olson, 52½ for Maxim. Judge Dick Wagner had it 56-54 for Olson.

Lions (Appier 1-2) vs. Bream's (Jones 1-3).

Two runs in the top of the sixth inning gave to Rotary Tigers a decisive 2-0 win over the Moore Cubs in a Little League contest Tuesday evening before a large crowd. The Tigers won head the league by two games over the second-place Moore.

Dane Kennell led off the final frame with a walk. Tom Collins lined out to the second baseman, little Richie Fair making a diving catch of the ball. Jim Davies singled. Larry Eckert took first on a fielder's choice as Kennell was cut down at third. A passed ball, another fielder's choice and an infield error allowed Davies and Eckert to score the two unearned runs.

The Moore threatened in the bottom of the sixth when Gary Fair and Tom Whittinghill singled and Paul Plank was hit by the pitcher to load the bases with only one out. Fair then attempted to steal home on a loose ball after Miller struck out by Collins at the plate for the final out.

Both pitchers were at their best. Gary Fair allowed only three hits, struck out 10 men and walked three batters. Ted McPherson, Rotary hurler, struck out 14 men but gave up seven scattered hits and permitted one free pass. McPherson receives the win, his second in two starts. Fair is charged with the loss, his second against three wins.

Jimmy Davis paced the winners, hitting attack with a double and single for three trips to the plate. Gary Fair and Paul Plank led the Moore batters with a pair of safeties.

SAYS ANTITRUST LAWS WOULD HURT BASEBALL

By WHITNEY SHOEMAKER

WASHINGTON (AP)—Placing baseball under antitrust laws would cause the game "serious and perhaps irreparable injury," Rep. Herlong (D-Fla.) said today.

Herlong told a House Antitrust subcommittee that minor leagues would suffer along with the majors if Congress passed a law abolishing the player reserve clause or other fixtures of the sport.

In a prepared statement, Herlong said the minors depend on "public-spirited local citizens," and major league clubs with which they have working agreements, to ease financial strains. Nearly every club in the minors takes a "substantial loss" each year, he said.

Resume Hearings

Herlong was called to testify as the subcommittee, headed by Rep. Celler (D-N.Y.), resumed hearings into the status of professional team sports under federal antitrust laws.

The Supreme Court has held baseball is exempt from such statutes but that football is covered. The subcommittee is studying half a dozen bills which would either declare pro sports subject or immune to antitrust jurisdiction — or cover only commercial aspects of their operation. The latter would exempt such items as the reserve clause, with which a major league club binds a player to itself or controls him in the minors.

Former League President

Herlong, serving his fifth term in Congress, is a former president of the Class D Florida State League and of the Leesburg team in that circuit.

Eliminating the reserve clause, he said, "would probably dry up one important source" of small clubs' income. He referred to working agreements under which a big league team pays for the right to first option on players with a minor club.

Antitrust jurisdiction, Herlong added, might also erase "the limitation imposed on most minor leagues on players' salaries and on the number of players each team can control. With expenses increased, he said, "the prospect would be bleak, indeed."

JOE BROWN IS FAVORED TO WIN BY KAYO

DENVER (AP)—Champion Joe Brown of Houston, Tex., flatly predicting a knockout victory, is an 8-5 favorite over Cuba's Orlando Zulueta for their lightweight championship fight in Denver Coliseum tonight.

"I'll knock him out," said the 30-year-old champion.

Promoter Joe Dupler predicted a \$35,000 gate for the first title bout here in 39 years.

For his second title defense, Brown has the option of a \$25,000 guarantee or 40 per cent of the combined receipts. His Cuban challenger will get a 20 per cent cut of the melon.

"King" Confident

The slender lightweight king appeared confident of retaining his crown despite once being held to a draw with Zulueta in Baltimore four years ago. He made his knockout prediction after the Colorado Athletic Commission ruled the boxers will wear six-ounce gloves instead of the eight-ounce mitts usually required by the state code.

Brown easily is the harder hitter of the two. He has 27 knockouts in an 11-year boxing career that shows a record of 63-14-8.

Brown won the lightweight crown last August in a 15-round decision over then champion Wallace (Bud) Smith.

Zulueta, whose left is regarded as the sharpest in the division, has stopped only six opponents in compiling a 62-27-11 record. But he never has been knocked out.

Thursday's Game
Eagles vs. Vets.

The Eagles scored a pair of runs in the final inning to edge the Giants 8-7 in a Little League Little League game Tuesday evening.

A walk, single, fielder's choice and pair of doubles by Jim Blocher and Jay Sentz produced the winning tallies.

Terry Pottorff, winning hurler, fanned eight, walked seven and yielded seven hits. Steve Basehoar, the loser, gave up 12 hits, struck out 10 and walked only three.

Eddie Koonitz rapped a double and two singles for the winners and Ronnie Smith smashed a pair of singles for the Giants.

The protest of last Friday's game was ruled out because it had not been filed within the 24-hour limit and the Vets triumph was allowed to stand.

Bobby Shantz Cuts Tiger Win Streak As Yankees Edge Up On Chisox; Phils Win On 2 Homers

By ED WILKS

Bobby Shantz, well on his way in what may be the comeback of the year in the American League, is just what Casey Stengel had him pegged for—the little guy who could knock off the big guys for his New York Yankees.

The Yankees were chest high in pitchers and confidence when they picked off Art Ditmar and Shantz from Kansas City in that February deal. Ditmar figured to be the key man—but Ol' Case wore a wink when he talked of "that little feller" with the sore arm.

Sore arm or no, Shantz had a winning lifetime record against Chicago (11-9) and Detroit (10-4) and was a respectable 8-13 vs. Cleveland considering he was

working for the second division A's. Those were the clubs most likely to give the Yankees trouble.

Replacing Whitey Ford
So now Shantz is the Yankee ace, replacing the ailing Whitey Ford. He leads the AL in percentage with an 8-1 record, and has a runner-up 1.87 earned run average.

Last night he cut the Tigers' winning string at five games with a 2-1 victory as second-place New York won its fifth in a row and edged within 2½ games of first-place Chicago, beaten 2-1 at Baltimore.

Cleveland replaced Detroit in third place, beating Boston 7-6. And Kansas City gained its first shutout victory as Ralph Terry, acquired in the most recent Yankee deal, and Virgil Trucks beat Washington 2-0.

NL Race Tightens

Trades figured in the National League race too. Right-hander Ray Crone beat his ex-Milwaukee mates 5-4 with a neat relief job for the New York Giants. The Braves kept a one-game lead, however, as Pittsburgh belted St. Louis 8-1. Philadelphia gained a share of second with the Cards, defeating Chicago's Cubs 7-6.

The Brooklyn Dodgers also moved within a game of Milwaukee, three points behind the Cards and Phils, by swamping Cincinnati 7-0.

Shantz tossed a seven-hitter, struck out six and walked only two. Rookie second baseman Bobby Richardson drove in both runs off Billy Hoft, who lost his fourth. The 25-year-old southpaw, a 20-game winner last year, defeated the Yankees 4-1 for his only 1957 success.

Saves Lemon Victory

Jim Busby, acquired in a trade with Cleveland last week, was credited with both Oriole RBIs and had two of the four singles given up by loser Billy Pierce (10-4). Pierce's wild peg to second on a force-out try set up Busby's RBI single in the first inning, and Billy then walked Busby with the bases loaded in the seventh. George Zuverink won his seventh in relief.

Chico Carrasquel, Vic Wertz, Rocky Colavito and Roger Maris homered for the Indians. Jensen smacked a three-run homer in the ninth for the Red Sox. Ray Narleski saved a fourth victory for Bob Lemon, making his first start since a May 24 leg injury.

The Braves managed only three hits in Crone's six-inning shutout job. Warren Spahn lost his fourth in a three-run Giant sixth inning.

Hitler On Cards

Right-hander Art Swanson, who had worked only 24 innings since, signing a bonus contract with the Pirates in 1955, had a two-hit shutout for eight innings and finished with a four-single job on the Cards for his first major league start and victory. Virton drove in three runs with his homers, both off loser Larry Jackson.

The Phils got all their runs on Rip Repulski's three-run homer and rookie Harry Anderson's first major league grand-slammer. Jim Hearn won it—his 100th in the majors, but first since last August—in relief of rookie ace Jack Sanford.

Don Newcombe had himself a night at Cincinnati, gaining his sixth victory and third shutout with a five-hitter—while driving in two runs with three of the Dodgers' 13 hits and swatting his first 1957 homer. Gil Hodges drove in three runs for the Brooks, who battered loser Hal Jeffcoat and four relievers as the fifth place Redlegs lost their eighth in the last nine.

James MARLOW Reports

The Associated Press

WASHINGTON (AP)—The government—because of the Supreme Court decision overturning the convictions of 14 Communists—may have to drop its cases against another 45 already convicted, or attempt to try them again.

The court's decision Monday put a brake on the prosecution of Communists. They can still be prosecuted. But the government will have a tougher time. And one charge, used in almost all Communist trials, can't be used at all any more.

This is an explanation of what the court did and what the government faces:

Pass Smith Act

In 1940 Congress passed the Smith Act, under which the government has obtained convictions against 103 Communists. For the purposes of this explanation, the Smith Act says three things:

1. It's a crime to conspire to organize a party or group whose purpose is forcible overthrow of the government.
 2. It's a crime to teach or advocate the forcible overthrow of the government.
 3. It's a crime to be a party member, knowing its purpose is forcible overthrow of the government.
- Only 4 of the 103 convicted Communists were tried and found guilty under No. 3. They are appealing now to the high court. Their situation is not pertinent to this story and can be dismissed here.

28 Convictions Upheld

But the remaining 99 were tried under Points No. 1 and No. 2: the combined charge of organizing and advocating. Of those 99, the Supreme Court has upheld the convictions of only 28. Five convictions it threw out because of the questionable testimony of a witness.

A total of 52—excluding the 14 whose convictions were thrown out Monday—are now in the

8 KILLED WHEN TANKERS CRASH

BREST, France (AP)—Two ocean-going tankers collided in darkness and heavy fog off the French Atlantic coast early today. The French radio station at Brest said rescue ships on the scene reported eight sailors dead and one missing.

The number of survivors could not be determined exactly. One tanker, identified as the Liberian-registered *Stony Point*, which previously was reported sunk, was lying low in the water and burning but had not gone down.

French maritime authorities said the other vessel was the Greek tanker *Ionis*.

The Brest station reported one crewman was missing from the *Stony Point* and eight men of the *Ionis* had lost their lives in the collision or the subsequent fire.

Thick fog and blistering flames from spreading oil slicks made rescue operations perilous as the crews apparently abandoned the two burning ships.

Warns Motorists Of Trap; Is Arrested

ALBUQUERQUE, N. M. (AP)—Justice of the Peace Lorenzo C. Duran, 38, was charged with disorderly conduct here when he allegedly tried to warn motorists of a police radar speed station after he had been caught in it a few minutes earlier.

Police said Duran was issued a speeding citation after being clocked at 36 miles an hour in a 25 mile an hour zone.

A few minutes later he backed his car about a block, got out and began waving a white handkerchief and pointing out the radar car to passing motorists, police said.

Police Seeking To Swap Old Guns

PHILADELPHIA (AP)—Police here hope to trade some old guns for new ones.

Up for swaps are 1,206 confiscated weapons. They won't be sold because the law says the money would then go into the general city fund, not to the police department.

So Police Commissioner Thomas Gibbons is out to trade them for new 38 revolvers, shotguns, rifles, handcuffs, leg irons and quick-draw holsters. Only licensed gun dealers are eligible and the entire lot must go to one bidder.

MANY FLEEING FEAR-STRICKEN PORT AU PRINCE

By LARRY ALLEN

PORT AU PRINCE, Haiti (AP)—Hundreds of workers and peasants have fled this seething capital city in fear that fresh violence may erupt.

Loaded with personal belongings, they began streaming out yesterday as the ruling military junta started jailing political partisans on a wide scale.

Those fleeing included supporters of both presidential candidate Louis Dole and his arch rival, ousted Provisional President Daniel Fignole.

Dole himself was in hiding. Six of his top advisers and scores of his followers were among those arrested.

The military rulers apparently concentrated on Dole's backers to keep them from again organizing general strikes. Most business firms in the capital followed orders from Dole in the recurrent strikes staged during the political turmoil that has unsettled six governments since December.

Strikes Are Outlawed

The ruling junta has outlawed strikes. Troops and police patrolled the streets forcing stores and shops to remain open.

Port au Prince newspapers published detailed accounts of Fignole's activities in New York, where he fled after he was overthrown.

They said the junta had sent him \$10,000 and that he also will receive \$500 a month salary. His seven children left behind when Fignole and his wife were hurried out of the country were reported in good health and safe with friends in Port au Prince.

The number of persons arrested following Saturday's violent riots appeared to be near 2,000, but scores were released after being questioned.

Many Are Killed

Official reports on the death toll still were lacking, but many sources insisted that several hundred Fignole partisans were killed. The best available estimates were that at least 100 persons were killed and 200 wounded. Many of the wounded were said to have died later in hospitals.

The Dominican Republic became the first nation to recognize the junta government.

Flea Circus Wiped Out By Heat Wave

LONG BEACH, Calif. (AP)—Flea trainer Bob Matthews is looking for some new performers. His last troupe was wiped out by the current heat wave.

"They carried on right to the end," he said sadly. "I thought Freddy—he was the weight lifter—looked a little peaked after the afternoon show. And Hildre-gard couldn't finish her act. But I didn't know how bad it was."

Matthews said all 24 of his fleas expired when the temperature hit 98 degrees in the amusement zone at the Long Beach Pike yesterday.

"But I'll get some more," he promised, casting an eye at a passing dog. "After all, the show must go on."

Jersey Town Adopts 4-Cat Family Limit

HILLSIDE, N.J. (AP)—Cat lovers in this town will have to content themselves with a maximum of four felines per household.

The Town Committee voted that quota last night. Earlier, they had wanted to set the limit at two, but feline fanciers howled that this would be cat-astrophic.

The action was prompted by one citizen who complained that his neighbor owned 17 cats.

The House approved the Senate-passed measure last night, 123-55 without debate.

Barr Scores "Fiscal Fakery" As GOP Scale Down Budget Cuts And Eye Adjournment

HARRISBURG (AP)—Republican lawmakers, eyeing final adjournment within 24 hours today scaled down their proposed cuts in Gov. Leader's budget to about 70 million dollars.

A \$1,165,436,000 compromise on the size of the general appropriations bill was reached between weary House and Senate conferees in the early morning hours.

Democrats refused to go along with it. Sen. Joseph M. Barr, Democratic state chairman, described it as "fiscal fakery."

The figure represented a 14½ million dollar restoration of funds to the measure as passed by the Senate and about 18½ millions as approved by the House.

Will Accept Compromise

Rep. Albert W. Johnson, Republican floor leader, said the House would quickly accept the compromise during the day. Johnson, bitter at Democratic refusal to sign the revised measure, said:

"They were willing to resort to any means to restore the budget to the size Gov. Leader requested so that they would have plenty of money, plenty of employees to win the next election."

The biggest question mark was what would be the next Democratic move in reaction to the refusal of the Joint House-Senate Appropriations Committee to make additional fund restorations.

Special Appropriations

Some 93 million dollars in special schools, institutions and homes are up for a final vote in the Senate but require a two-thirds majority for passage.

Barr, asked early in the morning if he would recommend that Democrats continue to withhold their needed votes from these bills, replied:

"At this stage, I'll say yes. But we'll have a caucus some time during the day and make a policy decision about this fiscal fakery."

Action on appropriations remained the principal obstacle in the way of final adjournment of the 1957 Legislature which convened New Year's Day.

Truman In Town

Complicating the picture is the appearance of former President Truman in town for the \$100-a-plate Democratic dinner tonight. The GOP legislative leadership has agreed to a recess during the affair.

The \$1,165,436,000 general appropriations bill as set up by the conference committee compares with the figure of \$1,120,000,000 as passed by the Senate and \$1,107,000,000 as approved by the House.

Incorporated into the conference version was \$31,400,000 for extra state aid for schools—a plan already passed by both the House and Senate as a separate bill.

JAP BEETLES COMING EARLY

The state Department of Agriculture today warned farmers and gardeners to be ready for an earlier than usual arrival of Japanese beetles.

D. Thomas L. Guyton, director of the Bureau of Plant Industry, said the first beetles will probably arrive this weekend. He said the excessively warm weather and a change in the beetles' habitat are respon-

sible for the early arrival. Beetles can be effectively controlled, Dr. Guyton said, by applying Chlordane or DDT to the grass in whose root system grubs can be found. Applications of DDT should be made to the foliage of plants to control the insects. Japanese beetles will probably stay around for about three months. The majority of them will have died off by mid-August. During this period two treatments of DDT probably would be an effective control, Dr. Guyton said. Japanese beetles were first found near Philadelphia in 1919.

The York Springs Lions club met at the Scout cabin Tuesday night with President Harold A. Smith presiding. Leon Wagner, Newville, former district governor, installed the following officers for the coming year: President, Melvin Prosser; 1st vice president, Cloyd Shank; 2nd vice president, John Brighner; 3rd vice president, Virgil Mulkey; secretary-treasurer, Rev. Norman L. Bortner; Lion Tamer, Fred Stough; tall twister, Stanley Renicker; directors for two years, Charles Renicker and James Behney. A 10-year attendance pin was given to Clyde Kennedy. A past president's pin was presented to Harold A. Smith.

Perfect attendance pins for the last year were given to James Behney, Norman L. Bortner, John Brighner, F. Elmer Coulson, Kent Golden, Jack Hershey, Merle Huff, Clyde Kennedy, Ross Koons, Donald Miller, Melvin Prosser, Charles Renicker, Harold A. Smith, Richard Weigle, Paul Wolf, Fred Stough. Mr. Wagner inducted Lynn Golden as a member of the club.

The York Springs 4-H Home Economics Club held a regular meeting Monday afternoon at the home of Linda Hinkle with their local leader, Mrs. Melvin Prosser, and ten members present. The girls continued the work on their spring skirts. Yoland Golden, president of the Community Club, and York Springs Home Economics Club, will attend the 4-H Leadership school at Penn State University June 24 to 28. To be eligible for this honor, the 4-H member must be 16 years old and have three years of club work. The next meeting will be held July 1 at the home of Vicki Glatfelter. After the meeting refreshments were served.

negotiators home sometimes for consultation.

He added that was the case when Stassen was asked to return from London.

In response to a question, Eisenhower said he would be willing to have the United States enter into a temporary agreement for suspension of atomic tests while efforts are continued to achieve a "package" disarmament pact covering much more ground.

In fact, he said, he would be delighted if such a limited agreement could be reached pending achievement of a package pact.

But Eisenhower said he did not mean to imply this country ever would agree to an unlimited and unconditional short-term suspension of nuclear tests.

Jokes About Illness

This was Eisenhower's first news conference since he was stricken with a stomach upset June 9-10. He joked about the illness at one point and appeared to be in the best of spirits.

The session with newsmen was one of the most lightly attended of any Eisenhower has held since taking office.

There probably were two reasons:

1. The intense heat. It was 87 degrees outside, and it seemed at boiling temperature in the conference room, which is not air conditioned.

2. Reporters probably did not get word in time that the meeting was being held half an hour earlier than usual.

On arrival, Eisenhower noted that several sweltering reporters were in shirt sleeves. He remarked with a grin that he was glad to see that display of good sense.

But he kept his light gray coat on.

The president also discussed: COURT—The Supreme Court's recent series of decisions dealing with individual rights are being studied carefully by the Justice Department, he said, to determine whether there should be any further tests of the laws involved.

Eisenhower had been asked whether he thought the court had gone too far in protecting individual rights, at the expense of the law enforcement procedures and the investigative functions of Congress.

The president said he would not care to deal with those specific points. He said that, like all men, he has some convictions but that he would not go into them.

GIRARD—Without specific mention of a District Court ruling yesterday barring the government from turning GI William S. Girard over to the Japanese for trial, Eisenhower said he would not care to discuss the case at this time lest it cause some possible damage to Girard.

Eisenhower had been told by a reporter that he understood there was some discussion of the case last week at a White House breakfast with Republican House members.

The reporter did not mention yesterday's court ruling.

RIGHTS—Eisenhower said he has been sadly disappointed because some people feel the administration's civil rights program would disturb their own rights. He added he sees no cause for such concern.

RANDOLF, which is scheduled to leave for Mediterranean waters next month.

RAPID GROWTH OF MANU-MINE FIRM IS TOLD

HARRISBURG (AP)—A commonwealth witness at the Pennsylvania Turnpike trial today told the humble start of a Reading engineering firm the state charges was the instrument of an alleged multi-million dollar conspiracy.

Jerome A. Lamanna, former secretary-treasurer of the Manu-Mine Research and Development Co., told Dauphin County Court the company was formed with a capital of \$5,400 in 1951.

The witness testified that within two years the company had a gross income of \$310,793.

Of this amount, Lamanna said, \$292,700 was received from the Pennsylvania Turnpike Commission for tunnel sealing and a small survey project.

Lamanna listed the original company stockholders as Charles W. Sticker Jr., president, and a defendant in the trial, Richard A. Seiner, a chemist; Mark C. McQuillen, Reading lawyer; David R. Mitchell, engineering teacher at Pennsylvania State University; A. W. Gauger, former dean of men at Penn State, and Richard H. Evans, the late son of former Turnpike Chairman Thomas J. Evans, Coaldale.

The elder Evans is among nine men charged with conspiring to fleece the commission of 19 million dollars.

No mention was made in court of yesterday's accusation by a defense lawyer that Deputy Atty. Gen. Vincent G. Panati threatened a state witness with a charge of perjury.

Lamanna testified that between November, 1951, and October, 1952, the firm made a gross profit of \$50,294 on turnpike work. He said a "quick calculation" would set the rate of profit at about 97 per cent.

The state charges that Manu-Mine asked for 100 per cent profit in billing the commission for more than 8 million dollars to fill mine voids beneath the northeastern extension of the toll road.

Isolation's civil rights program would disturb their own rights. He added he sees no cause for such concern.

First Cousin Of President Dies

Mrs. Lillie E. Brehm, 78, Grantham, first cousin of President Eisenhower and his playmate when they were youngsters in South Abilene, Kan., died Saturday at the home of her daughter, Mrs. Isalah Harley, Grantham.

Mrs. Brehm's mother, Mrs. Samuel E. Haldeman, the former Catherine Eisenhower, was a sister of David Eisenhower, the President's father.

Nearly half a century ago the Haldemans and the David Eisenhowers, their children, and Mrs. Brehm's grandparents, Mr. and Mrs. Jacob Eisenhower, left this area for South Abilene, Kan. The Jacob Eisenhowers had lived in Elizabethville.

Mrs. Brehm and her husband, Samuel W., who died in June of 1953, returned to the East in 1939.

The President expressed his sympathy to the family in a telegram.

Mrs. Lawrence Eckert, Seminary Ave., is his sister.

WIRETAPPING AGAINST HOFFA DENIED AT TRIAL

By NORMAN WALKER
WASHINGTON (AP)—James R. Hoffa's lawyer today claimed evidence against him was obtained by wiretapping, but the government promptly denied it.

Hoffa, Midwest Teamsters Union boss, arrived half an hour early this morning for the start of his U. S. District Court trial. The government charges he bribed and conspired to plant a paid informer on the Senate Rackets Investigating Committee staff.

Hoffa's attorneys filed a motion to quash any government evidence obtained through wiretapping.

Subpoena Brownell
They also subpoenaed Atty. Gen. Herbert Brownell to testify on whether there have been any wiretapping authorizations to the FBI.

But the government promptly filed an answering motion to quash the Brownell subpoena. This contained a denial by Brownell that there has been any FBI wiretapping.

Hoffa's future as a Teamster leader largely hangs on the outcome of this trial.

Delays Refused
Conviction probably would end his power; an acquittal likely would put him in line to become the next president of the Teamsters. But he also is under a federal wiretapping indictment in New York.

Yugoslav Soil Expert On Visit

A Yugoslavian soil expert, Prof. Georgi Filipovski, professor of soil science at the College of Agriculture at the University of Skopje, spent Tuesday in Adams County's fruit section with Richard Long of the Soil Conservation office and Vernon Miles, state forester.

The visitor has spent six months in the United States studying different areas studying soils and agricultural problems with emphasis on erosion control. Here he was primarily interested in the fruit crops, orchard management and erosion control through use of cover crops, terraces and contour planting of fruit trees. He also studied local irrigation methods since in Yugoslavia irrigation is done mainly from river beds.

The U. of Skopje is one of Yugoslavia's larger schools with 6,000 students attending.

Club Holds Meeting**

The New Oxford 4-H Club met Tuesday evening at the home of Philip Nace, Hanover R. 5, with Vice President Strayer Yake officiating.

Plans were made for a scrap drive July 8 in the New Oxford-Gettysburg vicinity. Funds raised by the scrap drive will go into the club treasury to permit donations to various activities, according to plans announced at the meeting.

The group voted to visit Hershey, Pa., during the later part of July. The next meeting will be held at the Hershey Heights swimming pool at Abbottstown July 16.

HEIDI NICKEY IS 3RD IN CONTEST

Heidi Nickey, Littlestown, received a string of pearls as third prize in contest awards made Tuesday evening by the Pennsylvania Grocers' Association at Atlantic City.

The winner of the contest was Agnes Rose Oaks, 17, a graduate of Shade High School, who received a \$1,000 scholarship. Miss Oaks had previously been named as Pennsylvania's Maple queen. She finished ahead of the state's Miss Milk Maid, Sandra D. Shannon, New Wilmington, Pa., who received a \$100 scholarship.

Miss Nickey earlier this year was chosen as the state's Cherry Pie queen.

The awards are given annually by the state grocers association on the basis of interviews, an essay, poise, personality and ambition.

Prior to the award ceremony at a concluding banquet, Ira Park, Brookville Pa., was re-elected president of the association.

JAP OFFICIALS GIVE WARNING ON DECISION IN GIRARD TRIAL

TOKYO (AP)—Japanese officials warned today an American court decision blocking a Japanese trial for William S. Girard would menace the U.S.-Japan Mutual Security Treaty unless the U.S. Supreme Court upsets the ruling.

Justice Minister Umeckichi Nakamura said the District Court ruling was "not binding" and Japan would go ahead with Girard's trial as planned.

Yuzo Kawachi, the judge assigned to preside over the trial, said, "The trial will open about the middle of August."

Possible Impasse

He acknowledged, however, that he didn't know what would happen if Japan orders Girard produced for trial while U.S. Army authorities are under orders to hold the 21-year-old soldier from Ottawa, Ill., for trial by an Army court-martial.

Supreme Court sources pointed out that if he fails to appear at the first court session, the trial cannot open. Girard now is in Army custody, confined to Camp Whittington, north of Tokyo.

Fears that Judge Joseph C. McGarraghy's injunction would damage relations between the two countries were expressed by Atty. Gen. Tosa Sato and Minoru Tsuda, spokesman for the Justice Ministry.

Appeal Being Taken

But both voiced confidence the U.S. government will do all it can to let a Japanese court try Girard. The Washington government already has filed notice of appeal to the high court.

Sato declared McGarraghy's order breached an agreement under the mutual security pact governing trial of Americans in Japan. The Japanese claim jurisdiction under the agreement to try Girard for the fatal shooting of Mrs. Naka Sakai on a U.S. firing range last January.

Justice Minister Nakamura said the court ruling was not binding because the Japan-U.S. joint committee created by the administrative agreement between the two governments has the "final say" on the question of jurisdiction over Girard. The Joint Committee's ruling that the Japanese could try Girard had been approved by the U.S. government.

Defense Prepared

U.S. Far East Command officials declined comment, but Brig. Gen. Charles Decker, assistant judge advocate general of the Army, said the decision "will not change our course of action."

Decker was sent to Japan to look after Girard's interests. He said the soldier's defense has been prepared so that it can be used either in Japanese courts or in a court-martial.

Girard himself received word of the ruling calmly and silently at Camp Whittington. The young Army specialist smiled as Maj. Stanley Levin, his personal military legal adviser, read press reports from Washington about the case.

Girard gave a "no comment" reply to all newsmen's questions. Some Japanese editors and news analysts predicted the ruling would touch off a rash of anti-American demonstrations.

HARRISBURG (AP)—Buddy Lee Jacob and Daniel Heyl were named by the State Fish Commission on Monday to head management programs in two areas that embrace 24 counties.

Jacob will have headquarters in Honesdale and Heyl at Somerset. Jacob's salary will be \$4,773 a year and Heyl's \$4,551. The two were appointed to vacancies.

MORE SERVICE, LOWER COSTS R.R. PROBLEMS

NEW YORK (AP)—Making fewer freight cars haul more goods faster—and keeping costs down as much as possible—is a major headache today for the railroads.

The public is also watching because it demands more service—and at the same time frets at the steady climb in freight rates since the war.

Railroad men are divided over how to meet the problem. And so are the car makers. They are trying automation in car building plants as well as in the freight yards. And they are turning to research laboratories to study design of cars best fitted to the most track and yards.

Spurred By Competition

Growing competition from trucks and barge lines spurs the search by the railroads.

Some railroads and some car makers stick to the traditional method of custom tailoring the cars to the specifications of individual roads and their customers. Others tout the advantages of standardization.

Starting standardization of rolling stock in 1946, Pullman-Standard Car Manufacturing Co., subsidiary of Pullman, Inc., has built and sold 110,000 freight cars of the new type which permits automation and mass production and cuts retooling to the minimum. It started with box cars—and in 10 years has produced 87,000—added gondolas or open top cars, and then covered hoppers.

Delivering 10,000

Today the Minneapolis & St. Louis Railroad gets delivery of the 10,000th standardized covered hopper car built in Pullman's Butler, Pa., plant. The road's president, A. W. Schroeder, favors standardized hoppers because "our four cement factories on-line appreciate them." He adds that standardization lets the smaller roads place orders at the same price and get the same delivery date as a larger line placing a larger order—because production schedules are speeded since no special retooling is needed.

HARRISBURG (AP)—State departments would have to submit quarterly reports to the Joint State Government Commission's Executive Committee and obtain approval for expenditures under a bill before Gov. Leader Tuesday.

The House approved the measure 114-70 Monday night over stiff opposition by the Democrats who indicated Gov. Leader probably would veto the bill.

ABBOTTSTOWN — Mr. Orville Zeigler has been admitted to the Hanover Hospital.

Mrs. Thomas Murphy has returned to her home, "The Acres," after spending the winter and spring in Hanover.

Mrs. Charles Chubb, Mrs. Grace Nagle and daughter, Irene, and Mrs. Helen Haines visited Charlene Chubb, a patient at the Elizabeth-Town Hospital, Sunday.

At the 4-H club meeting held recently at the home of Mrs. Bernard Anthony, the project was "Snacks." Two kinds of sandwich filling were made and also a beverage. 26 girls attended. Leaders were Mrs. Gus Ostrom, Mrs. Bernard Anthony, Miss Florence Finger, home economist, Adams County.

Miss Myers, of Penn State University, was in attendance and talked on "Snacks and Entertaining."

The next meeting will be held June 25 at 1 p.m. at the home of Mrs. George Hollinger.

Mr. and Mrs. William Hardwick, Daytona Beach, Florida, recently visited Mr. and Mrs. Bernard Anthony, this place, and Mr. and Mrs. Guy A. F. Hoke, Dover.

FAILED TO GET BRIDE BUT IS FREE OF BOND

WASHINGTON (AP)—The House of Representatives expressed \$500 worth of sympathy to love gone wrong yesterday.

The recipient was Leslie A. Batdorf of Shamokin, Pa., who was relieved of payment on a bond for \$500 which he had posted as a guaranty that a German girl who entered this country in 1948 would marry his son or leave the country within three months.

The girl came to America, all right, but she never did marry Samuel E. Batdorf, whom she had met when he was a soldier in Germany. Instead, she married another ex-soldier she had known in Germany, Glenn E. Parks (address unavailable).

Judge's Comment

Commented the judiciary committee:

"The file of this case discloses that the fiancé, Samuel Batdorf, had furnished funds for transportation to this country had bought her trousseau, and a home, or had a mortgage on the home, and the necessary furnishings, and had acted in utter good faith, upon the reliance of this girl that she would marry him but she in fact married another man.

"The fault was entirely that of

Three Killed In Two-Car Accident

LA PORTE, IND. (AP)—Two autos collided near here yesterday, killing Norman Musiel and his wife, Norah, of Kennett Square, Pa., and Leroy Geiger of South Bend, Ind.

The Musiels died in the wreckage of their car on U.S. 6 about 20 miles southeast of here and 3 miles west of Walkerton, Geiger, an occupant of the second car, died in Holy Name Hospital here.

The Rev. S. P. O'Reilly of Fort Wayne, Ind., believed to have been driving the second car, was injured critically. State trooper Paul Tanger said the Rev. Mr. O'Reilly's car collided with Musiel's as the minister was passing another car.

Pottstown Man Drowns In Creek

ANNAPOLIS, Md. (AP)—A union leader from Pottstown, Pa., drowned yesterday while swimming in College Creek near St. John's College.

City police identified the victim as Henry Dozier, 36, of Pottstown, who was with a delegation of South Americans from Chile visiting the college.

Police said Dozier was in a swimming party near the college boathouse when he drowned.

Heat Wave, Curbed By Cool Front, Kills 197 In Nation

By THE ASSOCIATED PRESS

The year's first big heat wave concentrated today in the Atlantic Coast area, shrinking before an eastward moving cool air front that finally brought respite to the Midwest.

Since Saturday the weather—including floods and storms as well as broiling temperatures—took at least 225 lives.

The heat wave was blamed for the largest toll—197. Deaths occurred from heat prostration but the greatest number were recorded in drownings as people sought to find some relief from the stifling heat.

Floods took at least 28 lives. A mass of cool air from Canada broke the torrid heat wave in the Midwest yesterday.

Heat Wave Comes East

Early today, the cold air front extended along a line from Lake Erie to southwest Ohio, down to southeast Arkansas.

"Most of the hot weather now is in the Atlantic Coast states,"

CHILD DROWNS

HONESDALE, Pa. (AP)—Clair Wensysek, 8, drowned in the Papak River at nearby Hawley yesterday. The child was on a raft with her mother when the raft broke loose from its moorings. The child jumped into the water and disappeared. Her mother was unable to rescue her.

the Weather Bureau forecaster in Chicago said, "Temperatures will be in the 90s today, but by tomorrow night that cold front should just about end the heat wave in the East."

Another day of 90-degree readings would be the eighth straight day of midsummerlike weather for numerous cities.

Thunderstorm continued to boom along the demarcation line between cool and warm air.

In the two principal flood areas, residents of Marshall, Minn., waited for a further rise in the ram-paging Redwood River, but the flood seemed to wane in eastern South Dakota.

Heavy Flood Damage

The Big Sioux River, now as wide as a mile in some places instead of its normal 60 feet, caused millions of dollars damage along a 100-mile line in South Dakota. There were three dead and two missing.

In Minnesota, the Redwood River at flooded Marshall still was three feet above flood stage. Downriver towns braced themselves for an expected deluge. A crest of 11 to 11½ feet was predicted by forecasters, who said that more water was due from small upriver tributaries.

Property damage at Marshall was estimated at a million dollars. Farm experts said crop damage would be three times as great.

News Briefs

HARRISBURG (P)—Pennsylvania judges would receive larger pensions under a bill brought back to the Senate today for agreement in House amendments.

The House passed the proposal to increase pensions \$425,000 a biennium 179-22 last night, over bipartisan opposition.

ALLENTOWN, Pa. (P)—A Pennsylvania State University freshman from Havertown, Pa., will represent the Keystone State in the 5th annual College Queen contest next Sunday at Asbury Park, N.J.

Audrey Finney, 18, was picked in the final judging here yesterday. Darlene Fuss, 19, Alliquippa, Pa., a junior at Shippensburg State Teachers College, was runner-up to Miss Finney.

HARRISBURG (P)—A Republican student loan program which resulted from Gov. Leader's rejected expanded college opportunity plan was sent to its death by the Senate last night.

The vote returning the bill to the Rules Committee for burial as 27-20 along party lines.

HARRISBURG (P)—The House has returned to the Senate for final action a bill appropriating 30 million dollars a year for local roads.

The House approved the measure 201-4 yesterday after defeating a Democratic proposal to increase the allocation to 74 million dollars for the next two years. The measure was sent back to the Senate for agreement on House amendments.

HARRISBURG (P)—The House today sent to Gov. Leader a measure eliminating the requirement for a special antlerless deer hunting license for bow and arrow hunters.

The House agreed 200-1 to a joint House-Senate compromise report on the proposal. The dissenter was Rep. William Limper (D-Phila.).

Watkins Not Sure Of Running
HARRISBURG (P)—Sen. G. Robert Watkins (R-Delaware) said today it is "too early" to determine "how far I would go" as a candidate for the Republican nomination to run for governor next year.

"It's too early to say but of course, I am deeply honored and appreciate the endorsement of my county organization," Watkins declared.

To the question of whether he was announcing his candidacy the veteran Delaware County Republican leader replied.

"I'm not announcing any candidacy," He explained that the Delaware County supervisors, led by John J. McClure, two weeks ago endorsed him as its candidate for the GOP nomination.

"Certainly, I'd be willing to run but actually it is too early to say what I would do," Watkins added. He said that his candidacy would depend upon "how much support the Delaware County organization lines up."

Watkins, 55, former sheriff of Delaware County, was elected to the Senate in 1948 and is serving his third term. He is chairman of the Senate Law and Order Committee. He makes his home in Chester.

Call Strike On Reading Road

CLEVELAND (P)—The Reading Railroad was under notice by the Brotherhood of Locomotive Engineers today that a strike has been authorized at 4 a.m. next Monday.

Guy L. Brown, grand chief engineer of the brotherhood, said yesterday the strike was authorized on the basis of a favorable vote of the end of May by a majority of the union's 750 members employed on the Reading.

The engineers said they are seeking agreement rules on prompt repairs on locomotives emitting toxic gases into operating compartments; removal of unsafe appliances they contend interfere with engineers' vision, and adequate protection from cold, rain, sleet and snow while operating locomotives in yard service.

A Reading spokesman said the railroad had not received official notification of the brotherhood's action but "assumed the national brotherhood would postpone the walkout in compliance with the requirements of the railway labor act."

The Reading said it planned to meet with the brotherhood to discuss 41 suggested rules changes.

Jap Court Sends Yankee To Prison
OTSU, Japan (P)—The Japanese District Court today sentenced an American soldier to 15 years imprisonment for robbing and murdering a Buddhist priest.

The soldier, identified as Pvt. Randall B. Boyles, 24, Kenton, Del., was convicted of assaulting the priest last December, robbing him and tossing his unconscious body into Lake Biwa, where he drowned.

The prosecution demanded a light sentence. Judge Toshio Yanagida said he imposed a lighter sentence because Boyles had displayed a "penitent attitude" and presented \$300 in sympathy money to the priest's widow. The army paid her \$3,333.

Identify Woman Found On Highway
LANSDALE, Pa. (P)—A woman found injured along the Bethlehem Pike near Colmar, Montgomery County, yesterday, has been identified as Mrs. Marie Miller, 29, of Bethlehem.

Police said a passing truck driver spotted the woman on the highway and reported to authorities. She was taken to the North Penn Hospital here with head and ankle injuries.

State police said they had no reason to suspect foul play. The young woman may have been injured in a fall while walking along the highway, they said. She was identified when her husband, Edward, 30, came to the hospital after learning a woman fitting his wife's description had been picked up.
